INFOS GRAPHISTE

FORMAT

Les deux types de fichiers acceptés sont : Adobe PDF® ou JPEG.
Vous devez exporter dans un de ces deux types les fichiers Corel Draw,
Quarkxpress, Flexising, Inkscape, Adobe Photoshop®, EPS ...

PDF

Les PDF ne doivent pas être protégés par un mot de passe et doivent contenir une seule page.
Tous les formats de PDF sont acceptés, néanmoins nous recommandons le format PDF/X-1a 2001.

SUPPORTS FICHIERS

Les visuels doivent être réalisés sans traits de coupe ou bords perdus. L'utilisation de nos gabarits vous donne la dimension exacte du produit à réaliser
Les polices devront être vectorisées et les images incorporées.

POIDS

Le poids d'un fichier est limité à 100Mo.

COLORIMETRIE

Les couleurs peuvent varier légèrement selon le support d'impression. Nous imprimons vos fichiers en CMJN (Cyan, Magenta, Jaune, Noir)
Les images en RVB ne sont pas acceptées.

ECHELLE ET RESOLUTION

La résolution minimale des fichiers à nous fournir pour l'impression de grands formats est de 100 dpi à la taille réelle d'impression.

DELAIS DE REALISATION

Afin de garantir les prix catalogue, les fichiers doivent nous parvenir avant votre événement dans les délais indiqués sur le catalogue.

Les réalisations EN LAST MINUTE SONT POSSIBLES SELON LES PERIODES Les tarifs seront majorés en fonction du délais restant.

DESIGNER INFORMATION

FORMAT

The 2 files type supported are: Adobe PDF® ou JPEG. You must export to one on these two types, your Corel Draw,
Quarkxpress, Flexising, Inkscape, Adobe Photoshop®, EPS source files

PDF

PDF musn't password-protected and must contain a single page
All PDF format are accepted however we suggest you to use PDF/X-1a 2001 format.

FILE SUPPORT

Your files must be design without cut marker or bleed-off. Using our templates will give you the exact necessary sizes.
Character fronts and embedded images, are also needed.

WEIGHT

The maximal weight for 1 file is 100Mo.

COLORIMETRY

Colours can varie per product and per unit. We print your files with CMYK color values. RGB files are not approved.

SCALE AND RESOLUTION

The minimal resolution required is 100 dpi with real scale.

DEAD LINE FILES

To guarantee the catalogue prices, your files must be sent.
Before your event, within indicated deadlines The rates are increased according to the deadline.

Les prix affichés s'appliquent sous réserve que les délais indiqués sur les pictogrammes soient respectés. Passé ce délai de référence, une majoration sera appliqué à chaque tarif.

Our prices only apply provided that the deadlines showing on pic are respected. If you files are received after the indicated deadlines, a rise in prices will apply.
